General Rules

The IRS has established annual limits that can be contributed to a Health Savings Account.

NOTE: Since your contribution limits are specific to your circumstances, it is recommended that you contact your Tax Advisor to verify what your contribution limits are. Contributions are made the first payroll in January, April, July and October each year. An employee must be actively enrolled and have this form completed and returned to the Payroll department at least one week before these pay dates to receive contributions.

Total Annual Contribution Allowed

2020 **Single** Maximum Contribution Allowed: \$3650.00* 2020 **Family** Maximum Contribution Allowed: \$7,300.00

* Employer contributes \$1,500.00 annually

*Employer contributes \$3,000.00 annually

*For age 55 or over, an additional \$1,000.00 catchup contribution is available

Important: If you have previously contributed to your HSA via payroll deduction or directly to your account during the current plan year, you need to track your annual contributions to ensure you do not exceed the annual maximum allowed.
